May 17, 1995

The Honorable Arlin N. Adams  
Independent Counsel  
444 North Capitol St.  
Suite 718  
Washington, DC 20001

Dear Judge Adams:

The Special Division for Independent Counsel wishes to reiterate what I told you personally at our meeting of May 15. You have our unmeasured appreciation for a job well done. After a life time of dedicated service to your country, you plunged once again into the breach. No one has better carried out the role of the independent counsel than you. Your quiet, thorough devotion to duty, avoidance of self aggrandizement and undue publicity has provided a model of professionalism and civility for all who would follow in that service.

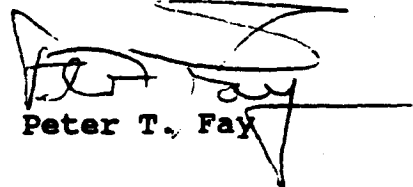

Sincerely,

David B. Sentelle
